OVERVIEW

Clase Azul is a brand new custom-built luxury sailing yacht in the market. She features an excellent choice for a relaxing cruise through the beautiful Croatian waters.

This luxury yacht is custom-built to combine the love of sailing with the comfort of a motor yacht. With her timeless interior design and soothing colors, Clase Azul is one of the most beautiful yachts on the market. She features six spacious staterooms comprising two full-beam staterooms along with four double cabins that can be easily converted into twin cabins if required. The nine very experienced crew members make a well-coordinated team that will easily fulfill even your most hidden desires. This luxury superyacht has a multi-purpose gangway that also serves for easier access to the swimming platform from the sea. There you will also find a rich selection of water toys. On the main deck is a lounge area perfect for dining and relaxing in the shade. The spacious sundeck has a jacuzzi, fire corner, informal dining area, film screen with the projector, and a fully equipped bar so the clients can get the ultimate 5-star service at any time.

Built specifically for the charter market, Clase Azul ticks all the boxes for those seeking a sailing adventure with the luxury of a superyacht.
